

## INVITATION FOR BID

Sandy City will accept sealed bids for:

### **FALCON WAY STORM WATER PROJECT**

The scope of this project will be to provide all the labor, materials, tools, equipment, insurance and bonds necessary, but not limited to, three separate bid schedules that may be awarded to a single or multiple contractors. Bid Schedule A includes construction of approximately 4,930 linear feet of reinforced concrete storm drain pipe ranging in diameters from 15 to 66 inches, including 640 linear feet of 4' x 7' box culvert and other appurtenances typically associated with a storm water project. Bid Schedule A also includes construction of two reinforced concrete outlet structures and improvements to an existing Sandy City owned detention basin, and a large reinforced concrete bifurcation structure. Schedule B includes construction of approximately 1,390 linear feet of reinforced concrete storm drain pipe ranging in diameter from 15 to 24 inches and other appurtenances typically associated with a storm water project. Schedule C includes construction of approximately 2,280 linear feet of reinforced concrete storm drain pipe ranging in diameter from 15 to 48 inches and other appurtenances typically associated with a storm water project. Work associated with schedule C also includes construction of two reinforced concrete structures and improvements to an existing City owned detention basin.

Bid documents and specifications will be available after 9:00 AM on Monday August 2, 2010 for a non-refundable fee of \$35 from the Purchasing Department at City Hall, 10000 Centennial Parkway, Suite 330. Bid documents and specifications can also be reviewed at Intermountain Contractors, 1743 West Alexander Street, West Valley City.

A 5% Bid Bond will be required.

Sealed bids must be received by the Purchasing Department, at the above address, no later than **2:00 pm, Tuesday, August 17, 2010** where they will be publicly opened and read aloud in the department conference room.

A pre-bid conference will be held at 1:00 pm on Wednesday, August 11, 2010 in the conference room of the Public Utilities Department at City Hall.

For further project information contact Dan Woodbury at (801) 568-7280.

Sandy City reserves the right to reject any and all bids and to waive any informality or technicality deemed in the best interest of the City.
